## VENUE AT THE GROVE

*Weddings & Events*

Ready to raise the level of envy of all of your followers? Every inch of Venue at the Grove's pastoral, gorgeous grounds is worthy of posting, and everyone in your feed will take notice (and double tap.)

Let us help you capture those moments as we walk you through the 20 most Instagrammed spots at Venue at the Grove on Tuesday, June 20, 2017 from 6:30 PM - 8:30 PM. Explore the spacious reception hall and patio, twinkling pecan grove, charming barn and luxe wedding suites, taking perfectly staged photos along the way, of course.

Snap some pics of Ensemble Catering's Executive Chef Mike Beltran's show-stopping specialties and Sugarlips Cakery's dreamy creations. (You've probably pinned them already.) Envision your special day colored by Wild Child Floral's lush arrangements and just wait until you see the best moments captured by Snapbooth and La Bella Vita Photography.

Plus, it wouldn't be a hashtag-worthy wedding without a killer sound system. Direct Sounds Entertainment will take care of the beats, so all you have to do is move those feet.
